

0189. Some authentic anti-India quotes of Mohan bhai Gandhi

A) Reliable source about Writings and quotes of Gandhi-

Since many Indian netizens are increasingly allergic to wikipedia, I am giving a reliable source of Gandhi, **Collected Works of Mahatma Gandhi-**

<http://www.gandhiserve.org/cwmg/cwmg.html>

"

The Collected Works of Mahatma Gandhi is a 100 volume series, each running into about 500 pages. In what is perhaps the biggest multi-volume project in the world, these volumes constitute Gandhiji's writings, speeches, letters, interviews and telegrams revealing the richness of Gandhiji's mind and also reflecting, in volume after volume, the mood and temper of the times illuminating every aspect of modern India's political and social history and aspirations.

The works cover the period 1884-1948, in a strictly chronological order, almost sixty years of Gandhiji's intensively active public life. The objective of the series is to reproduce Gandhiji's actual words as far as possible. Appendices provide the background material relevant to the text. Acknowledgements, sources, chronology and indices also form part of the individual volume"

B) Anti-India quotes of mohan bhai gandhi-

1) Gandhi called Udham Singh `insane` hearing the death of Dwyer-

"The news of the death of Sir Michael O'Dwyer² and of the injuries to Lord Zetland, Lord Lamington and Sir Louis Bane has caused me deep pain. I offer my condolences to the deceased's family, and hope that the injured will soon recover. I regard this act as one of insanity. Such acts have been proved to be injurious to the causes for which they are committed. I hope this will not be allowed to affect political judgment.

2) "I want to tell you only one thing and it is that we should not try to kill any Muslim. Let them kill if they want."

, pg 17

3) About Guru Govind Singh, Shiva ji and Maharana Pratap-

"But by test of the theory of non-violence, I do not hesitate to say that it is highly likely that had I lived as their contemporary and in the respective countries, I would have called everyone of them a misguided patriot, even though a successful and brave warrior."

, pg 142

4) Appeal for enlistment of Indians in World war 1 for the English-

"As long as we have to look to Englishmen for our defence, as long as we are not free from the fear of the military, so long we cannot be regarded as equal partners with Englishmen. It behoves us, therefore, to learn the use of arms and to acquire the ability to defend ourselves. If we want

to learn the use of arms with the greatest possible despatch, it is our duty to enlist ourselves in the army."

5) Right to bear guns was demanded by Gandhiji, Sardar, Nehru et al in 1931-

6) soldiers should become farmers, that India was best served if its army was nonviolent

C) Book By Veer Savarkar-

Everyone should download and read this book -

D) About Wikipedia-

The information given in wikipedia can be true or false. The reader should find out whether the source of information given in the references is true or false.

E) Rajiv Dixit views about Gandhi-

Shri Rajiv Dixit ji talked favourably about Gandhi . But I am a bhakt of Shri Rajiv ji and not a andh-bhakt. And neither was Rajiv ji a andh-bhakt.

I am sure if these own writings of Gandhi would have been pointed out , he would certainly would have opposed Gandhi.

F) How Popular was Gandhi-

a) He was shown black flags and greeted with `Down with Gandhi` when he went to Karachi Congress adhiveshan after the execution of Bhagat Singh, Rajguru, Sukhdev , since he did not do enough to stop the executions. If he was really influential, he should have been able to stop the executions and if he was not influential, why did he pretend that he was influential.

b) He was defeated twice by Subash Chandra Bose in Congress president elections, once himself and once his chamcha, Pattabhi , even when his sponsors had spent 100 times more money on their campaign compared with Subhas Chandra Bose.

c) He came third in the `Times of India greatest Indian of the century` , after Subhas Chandra Bose and Bhagat Singh even after getting so much media publicity via the British.

60 Greatest Indians poll by Times Of India-

The poll began on March 14 and ran for three weeks through the India Today website and SMS.

A total of 18,928 votes came in, with Bhagat Singh leading with 6,982 votes, Subhas Chandra Bose coming second with 5,193 votes and Mahatma Gandhi trailing at 2,457 votes.

Sardar Vallabhbhai Patel, who forever stepped aside for Jawaharlal Nehru, has been redeemed in posterity, at fourth position with 8 per cent of the votes, compared to just 2 per cent for Nehru.

Another steely nationalist, Indira Gandhi, is sixth, with 3 per cent of the votes.

In other words,, votes for the freedom fighters(so called called by media as terrorists) far outweighed the votes for non-freedom fighters

d) Also, Gandhi`s Ashram of Karol Bagh was destroyed by Hindus and he had to go to Birla House.

“After his arrival from Calcutta - on Sep 9, 1947, Mahatma Gandhi was motored straight to the building, then called Birla House. On his visit to Delhi, Gandhi preferred staying at the Harijan Basti, also called Valmiki Mandir, at Panchkuiyan Road, but as the refugees from West Punjab occupied the Basti, after the partition of India, there were concerns over his security.”

I) भारतीय इतिहास 101 - Urging Afghans to invade India

Secret War Desire of pseudo-अहिंसा preacher

===== During the Anglo-German war in 1914, this very Gandhi had hatched the dangerous plan on behalf of Muslim leaders to invite Amir Amannulla of Afghanistan to invade India. A very trustworthy and competent person like Swami Shraddhananda has established this with ample evidence and has convinced the world of this by quoting it in newspapers like 'Kesari' and 'Maratha'. YOUNG INDIA, MAY 1921 - Statement by M K Gandhi: Writing in the Young India in May 1921 Gandhi said, "I would, in a sense, certainly assist the Amir of Afghanistan if he waged war against the British govt. It is no part of the duty of a non-violent non-cooperator to assist the govt against war made upon it by others. I would rather see India perish at the hands of the Afghans than purchase freedom from Afghan invasion at the cost of her honor. To have India defended by an unrepentant govt that keeps the Khilafat and Punjab wounds still bleeding is to sell India's honor" <http://goo.gl/a8Xm9>

J) Conclusion-

Gandhi's actions were anti-India and also anti-hindu and pro-british. He was a name-maniac. for name, he insulted and suppressed the Indian revolutionaries, appealed to the Indians to fight for the British. Thus , he was a big time hypocrite also. He got five star treatment in jails along with Nehru while the revolutionaries got Kaala pani and lathis, executions.
